To comply with certain federal, state, and local laws that prohibit or limit the provision of meals to health care professionals and/or state employees, Merck does not offer a complimentary meal to individuals who are subject to such restrictions. Attendees to whom such restrictions apply should not avail themselves of the complimentary meal. The venue will, however, provide an opportunity for the meal to be charged to an attendee's personal account (eg. credit card). If you are unsure of your state's laws and regulations, we ask that you please check prior to attending this event.

Merck is pleased to sponsor this program, which contains information consistent with FDA guidelines. This program is not an accredited CME program and is not designed to meet any training and/or educational requirements.

The speaker for this program is speaking on behalf of Merck.
