

Comprehensive Genomic Profiling Education Program September 27th, 2019

Sparrow Hospital in Lansing, Michigan

I am pleased to invite you to an unbranded, Comprehensive Genomic Profiling (CGP) Education Program hosted by the Medical Affairs team of Foundation Medicine. This event will be on Friday September 27th, 2019 at the Herbert Herman Cancer Center (Sparrow Hospital), 1st floor Conference rooms A&B (1140 E Michigan Ave, Lansing, MI 48912).

The CGP Education Program offers a half day of seminars highlighting cancer genomics, comprehensive genomic profiling, and the value of genomics in patient care. The program allows attendees the unique opportunity to engage with Foundation Medicine experts while networking with other oncology professionals.

TIME	TENTATIVE AGENDA (12:00-4:30p)
12:00-12:30	Lunch and Registration
12:30-1:15	Basics of Cancer Genomics & Computational Biology
1:15-2:00	Medical Report Curation & Platform Differentiation
2:00-2:20	Networking Break
2:20-3:00	Precision Medicine, Immuno-Oncology, Case Studies
3:00-3:30	Pathology
3:30-4:15	Liquid Biopsy & Clinical Applications
4:15-5:00	Journal Discussion: Genomics in Hematology and Oncology Practice

[Register](#) to guarantee your seat at this educational event. Further logistical information will be sent to registered guests. Lunch will be served*. Travel expenses are the responsibility of the attendee. The Medical Affairs team looks forward to meeting you.

*Foundation Medicine is subject to both the Sunshine Act & state-specific transparency reporting regulations and therefore required to report payments made to healthcare providers.
