We’re offering a $0 copay for telemedicine visits for the next 90 days, until June 4, 2020.

Coronaviruses are spread from an infected person to others through the air by coughing and sneezing, as well as through close personal contact, such as touching or shaking hands. Costs will be waived for all telemedicine visits through:

- Teladoc options through the Aetna Health app
- Network providers who deliver virtual care, such as live video-conferencing
- Other virtual care apps or services provided as part of your plan
