

Physicians Health Plan Telehealth Updates

4/22/20 - Telemedicine/Virtual Visits May be an Option for Care from Your Health Care Provider

PHP is encouraging Members to utilize alternative methods in lieu of an in-person visits with their Doctors. Contact your Provider's office to inquire if telemedicine visits are provided. These types of visits are covered just as they would be in the Doctor's office. PHP has waived member cost share for telemedicine services offered by a Provider's office.
