☐ DISCOVER

This program is geared towards physicians, fellows, residents, physician extenders, nurses and allied health providers in the field of oncology.

Educational Objectives:

- **Recognize relative biomarkers in the treatment and progression of cancer.**
- **Implement new novel therapies being used in treating oncologic cancers.**
- **Implement state of the art treatment approaches for treating cancer.**
- **Utilize the latest news from the ASCO Annual Meeting.**

Statement of Need:

Oncology is a continuously evolving area of medicine where new developments provide tools for the physicians, scientists and health care professionals to help diagnose and treat cancer. Continuing medical education is essential to study and evaluate new findings, to inform practitioners of new clinical applications and to improve patient care.

Accreditation/Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Wayne State University School of Medicine and Michigan Society of Hematology and Oncology (MSHO). The Wayne State University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live activity for a maximum of **5.75 AMA PRA Category 1 Credit(s)**.™

Physicians should claim only the credit commensurate with the extent of their participation in the activity.
