

Please join us to learn more about a therapy for the treatment of CLL/SLL & FL

Presented By:

Perry Cook, M.D.

New York Methodist Hospital, New York, NY

Wednesday, July 31 2019

6:30 PM EST.

501 Bar and Grill

500 Saginaw Street

Flint, MI 48502

(810) 410-4392

Space is limited.

Please RSVP to Tom Storti

at (810) 280-0486 or email tstorti@verastem.com.

This promotional non-CME program is intended for licensed healthcare providers only.

Objectives of the Program:

- Discuss the treatment options for patients with relapsed/refractory CLL/SLL/FL
- Review product clinical data
- Understand the product dosing and administration
- Discuss examples of the appropriate patient for the product
