

Please join us to learn more about a therapy for the treatment of CLL/SLL & FL

Presented By:

Perry Cook, M.D.

New York Methodist Hospital

Thursday, August 1 2019

6:30 PM EST.

Genji Saginaw

3870 Bay Road

Saginaw, MI 48603

(989) 497-9900

Space is limited.

Please RSVP to Tom Storti

at (810) 280-0486 or email tstorti@verastem.com.

This promotional non-CME program is intended for licensed healthcare providers only.

Objectives of the Program:

- Discuss the treatment options for patients with relapsed/refractory CLL/SLL/FL
- Review product clinical data
- Understand the product dosing and administration
- Discuss examples of the appropriate patient for the product
