

Update in Hematology and Oncology

September 21, 2019
*Mission Point
Mackinac Island, MI*

TARGET AUDIENCE

This continuing medical education program will be of interest to medical oncologists, hematologists, radiation oncologists, oncology nurses, advanced practice providers, as well as other healthcare professionals who deliver care to cancer patients.

PROGRAM GOAL

MSHO's goal is to provide our learners with continuing education content that is evidence-based, fair, balanced, and scientifically objective. It will reference best practices, as indicated in peer reviewed published data and other statistics, and is free of any commercial bias, while facilitating learners in the development and implementation of their own individual strategies to close identified gaps in their professional practices.

REGISTRATION DEADLINE SEPTEMBER 6, 2019

REGISTRATION

This meeting is funded by the Michigan Society of Hematology and Oncology Foundation. There is no fee for MSHO members to attend as long as registration is received by September 6.

[Click here](#) to register.

For more information, please contact the MSHO office at 248-385-5464 or info@msho.org.

LOCATION

Mission Point
One Lakeshore Drive
Mackinac Island, MI 49757
www.missionpoint.com

DISCLOSURE STATEMENT

In accordance with the ACCME and Michigan State Medical Society Standards of Commercial Support, Munson Medical Center will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control the content of this CME activity.

Applicable individual faculty and planning committee disclosures will be made prior to each presentation and provided in written material.

ACCREDITATION AND CREDIT DESIGNATION STATEMENT

This activity has been planned and implemented in accordance with the Accreditation Elements and Policies of the Michigan State Medical Society through the joint sponsorship of Munson Medical Center and Michigan Society of Hematology and Oncology. Munson Medical Center is accredited by the Michigan State Medical Society Committee to provide continuing medical education for physicians.

Munson Medical Center designates this live activity for a maximum of 3.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

MOC ACCREDITATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.75 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

PROGRAM DETAILS

PROGRAM OBJECTIVES

At the conclusion of the activity, each learner will be able to:

- 1 Explain the approach to CML treatment which will permit successful cessation of treatment.
- 2 Discuss the role of the National Cancer Institute in expanding and improving CAM research.
- 3 Describe the appropriate use of adjuvant systemic chemotherapy in stage II colon cancer patients.
- 4 Recognize the use and value of adjuvant treatment or a recommendation for observation and surveillance in resected, stage II colon cancer.
