This program is geared toward physicians, fellows, residents, pathologists, physician assistants, and nurse practitioners in the field of hematology/oncology.

EDUCATIONAL OBJECTIVES:

Upon completion of this program, the participant will:

- Apply advances in scientific and translational research in the care of their patients.
- Utilize emerging therapies to provide optimal treatment to patients.
- Implement new practices or review existing ones to improve the quality of care delivered.
- Consider areas needing additional research and/or themselves be able to find areas to research.

STATEMENT OF NEED:

Hematology is a continuously evolving area of medicine and new developments provide tools for the physicians, scientists, and healthcare professionals to help with diagnosis and treatment of cancer. Continuing education is essential to study and evaluate new findings, to inform practitioners of new clinical applications, and to improve patient care.

ACCREDITATION STATEMENT

Henry Ford Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT

Henry Ford Health System designates this live course for a maximum of 5.50 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
