Alexion is committed to complying with applicable laws and regulations and adhering to the highest standards in its interactions with healthcare professionals, including those that govern the provision of modest meals to attendees at company-sponsored events. Per industry guidelines, we are unable to accommodate spouses or guests at this event. The invitation is nontransferable and is only for individuals who have a professional interest in the educational information that will be shared at the event. In order to ensure accurate transparency reporting of meals, Alexion requires program attendees to sign in upon arrival. Subject to federal and state regulations, Alexion will disclose information related to meals provided to attendees, as applicable. In most cases, this information will be made public. Attendees may opt out of the meal by indicating so on their RSVP. Certain states and federal agencies have defined the maximum fair market value allowable for modest meals given to healthcare professionals or prohibited the receipt of meals at company-sponsored events. You are accountable for understanding such restrictions and complying with them. If you are impacted by those restrictions, we respectfully request that you not partake in the meal offered by Alexion at the event. Please ask the Alexion representative at the event for information about purchasing food at the event.
