

ACTIVITY DESCRIPTION:

The knowledge explosion in cancer diagnosis and treatment demands that oncologists keep up with the latest evidence-based data. This one-day program will bring together faculty from Michigan's cancer centers to disseminate current information to practicing oncologists and hematologists and improve the overall standard of care and knowledge base.

EDUCATIONAL OBJECTIVES:

Upon completion of this program, the participant will:

- Recognize relative biomarkers in the treatment and progression of cancer
- Implement new novel therapies being used in treating oncologic cancers
- Implement state of the art treatment approaches for treating cancer
- Manage toxicities in patients and improve quality of life

TARGET AUDIENCE:

This program is directed toward medical oncologists, hematologists, fellows, radiation oncologists, advanced practice providers, pharmacists, nurses, and other healthcare professionals delivering care to cancer patients.

STATEMENT OF NEED:

Oncology is a continuously evolving area of medicine and new developments provide tools for the physicians, scientists, and healthcare professionals to help with diagnosis and treatment of cancer. Continuing education is essential to study and evaluate new findings to inform practitioners of new clinical applications and to improve patient care.

ACCREDITATION STATEMENT

PHYSICIAN CREDIT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Wayne State University School of Medicine and the Michigan Society of Hematology and Oncology. The Wayne State University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY/PLANNING COMMITTEE DISCLOSURE STATEMENT

In compliance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, all individuals in a position to control/influence the content of this activity are required to disclose commercial financial relationships with ineligible companies. All relevant financial relationships have been mitigated prior to the activity.

OTHER HEALTHCARE PROFESSIONS CREDIT

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME, please consult your professional licensing board.
